Statement of Evidence:

R-3

North Quarter Corner of Section 30, Township 104 North, Range 41 West, 5th Principal Meridian, Nobles County, Minnesota.

1868-Deputy Surveyor Richard N. L. Jeorlt, set a post in mound with pits for the section corner.

2017-On November 9th, Westwood Professional Services searched on E/W centerline and on line with a fence post and tree line running north and found nothing. A 5/8" rebar with LS 49563 cap was placed proportionally on online between section corners to mark the Quarter Corner. This position fits centerline and tree line north. Ties were found or set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
