Returning in the first week of Dec. 2003 to perform a GPS survey where a distance east of 2640.13' was computed to the corresponding quarter section corner.
 - * Gary D. Martin, RLS # 12967, owned and operated Martin Land Surveying, Inc., of Worthington, Minnesota and sold the business in 1987. Mr. Martin is now practicing in Holly Springs, Georgia.

The written evidence is conclusive and continuous back to the 1912 survey by W.A. Saxon and this is a reasonable location as to the corner, therefore I accept this as the corner.
