Original Notes

1901 Nobles County Highway Department records show a stone monument.

2003 On July 14, Bolton & Menk, Inc., Mankato, found a railroad spike 1.0 foot below surface.

The evidence is not conclusive as to the true corner location, however the occupational and collateral evidence suggest that this is a reasonable location as to the corner. Additional information regarding the preparation of this certificate can be obtained by contacting: Bolton & Menk, Inc., Mankato, MN.
