East Quarter Corner of Section 3, Township 103 North, Range 43 West, 5th Principal Meridian, Nobles County, Minnesota.

1869-Deputy Surveyor set a post in mound with pits.

1897- Nobles County Highway Department "Corner Ties Book" calls for a set stone to mark the corner location.

2017- Westwood Professional Services located a north/south road centerline and fence lines to the east and the west. Accepting the local long standing occupation as the best available evidence for the corner and placed a ½" rebar capped 49563 to mark the corner. Ties were found or set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
