MONUMENT DESCRIPTION AND REMARKS: On May 9, 2013 we dug with backhoe for North 1/4 Corner & found no evidence of corner. Best evidence is fence to North & South and centerline of road. I therefore set a 5/8" Iron stake with survey cap 23008 at centerline of Township Road in line with fences North & South as accepted corner. County Highway records show no information for corner. I also set 5/8" Iron stake at center of section by intersection of opposite quarter section corners as per PLS instructions.
