Statement of Evidence:

L-13

East Quarter Corner of Section 16, Township 104 North, Range 41 West, 5th Principal Meridian, Nobles County, Minnesota.

1868 - Deputy Surveyor set a post in mound with pits.

1903 - County Surveyor in Book 22, Page 135 shows a distance of 2625' and 2625' along the east line of section 16.

2017 - Westwood field crews searched the area and found nothing. Set 5/8" rebar with LS 49563 cap at centerline and fence west. This location closely fits the distances from the 1903 survey. Accepting the centerline and fence line as the best available evidence of the corner location. Ties were found or set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
