Statement of Evidence:

P-13

East Quarter Corner of Section 21, Township 104 North, Range 41 West, 5th Principal Meridian, Nobles County, Minnesota.

1868-Deputy Surveyor set a post in mound with pits.

1993 - Nobles County Highway Department "Corner Ties Book" notes an excavation was performed and nothing was found. A 3/4" by 24" outside diameter iron pipe was set at obliterated position on centerline of township road and fence line west by Madsen Surveying. The following tie was made:

Bottle cap in fence post	West	74.45'
--------------------------	------	--------

2017 - Westwood field crews recover an iron pipe with LS 13593 cap down 0.4' on centerline north/south and fence line west. Ties were set or found as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
