Statement of Evidence:

X-5

East Quarter Corner of Section 31, Township 104 North, Range 41 West, 5th Principal Meridian, Nobles County, Minnesota.

1868-Deputy Surveyor Richard N. L. Jeorlt, set a post in mound with pits for the section corner.

2017-On November 9th, Westwood Professional Services searched a N/S road centerline and online with fence line running east and a fence line running west and found nothing. The local longstanding occupation agrees closely with record distances and is accepted as the best available evidence for the corner. A 5/8" rebar capped 49563 was placed on the N/S centerline and on line with fence lines running east and west to mark the corner. Ties were set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
