Statement of Evidence:

E-23

North Quarter Corner of Section 12, Township 104 North, Range 42 West, 5th Principal Meridian, Nobles County, Minnesota.

1868-Deputy Surveyor set a post in mound with pits

2017- Westwood Professional Services recovered a 60d spike (nothing under) on centerline and an occupation line to the south. This agrees very closely with the east-west proportional position. There is no additional information for this corner. A 5/8" rebar capped LS 49563 was set in place of the found spike. Ties were found or set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
