J-23

North Quarter Corner of Section 13, Township 104 North, Range 42 West, 5th Principal Meridian, Nobles County, Minnesota.

1868-Deputy Surveyor set a post in mound with pits

2017- Westwood Professional Services located centerline of an east/west road, field line to the south and fence line to the north. There is no additional evidence or information for this corner. A 5/8" rebar capped LS 49563 was placed midway and online between section corners to mark the quarter corner. Ties were found or set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
