Statement of Evidence:

J-11

North Quarter Corner of Section 16, Township 104 North, Range 42 West, 5th Principal Meridian, Nobles County, Minnesota.

1868-Deputy Surveyor set a post in mound with pits

1894- Nobles County Highway Department "Corner Ties Book" calls for a stake to mark the corner location.

1900- Nobles County Highway Department "Corner Ties Book" calls for a stone to mark the corner location.

2017- Westwood Professional Services located centerline and field lines to the north and south which agrees close to the proportionate position. A 5/8" rebar capped 49563 was placed midway between section corners and on centerline to mark the quarter corner. Ties were set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
