Date 11-26-12 Certificate # 23008

UNITED STATES PUBLIC LAND SURVEY CORNER CERTIFICATE FOR

Land survey monuments situated in Section 19, Township 104 North, Range 42 West, of the Fifth Principal Meridian, Nobles County, Minnesota..

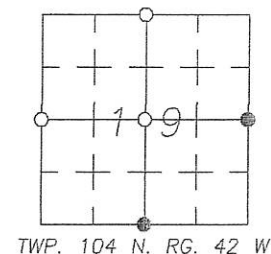

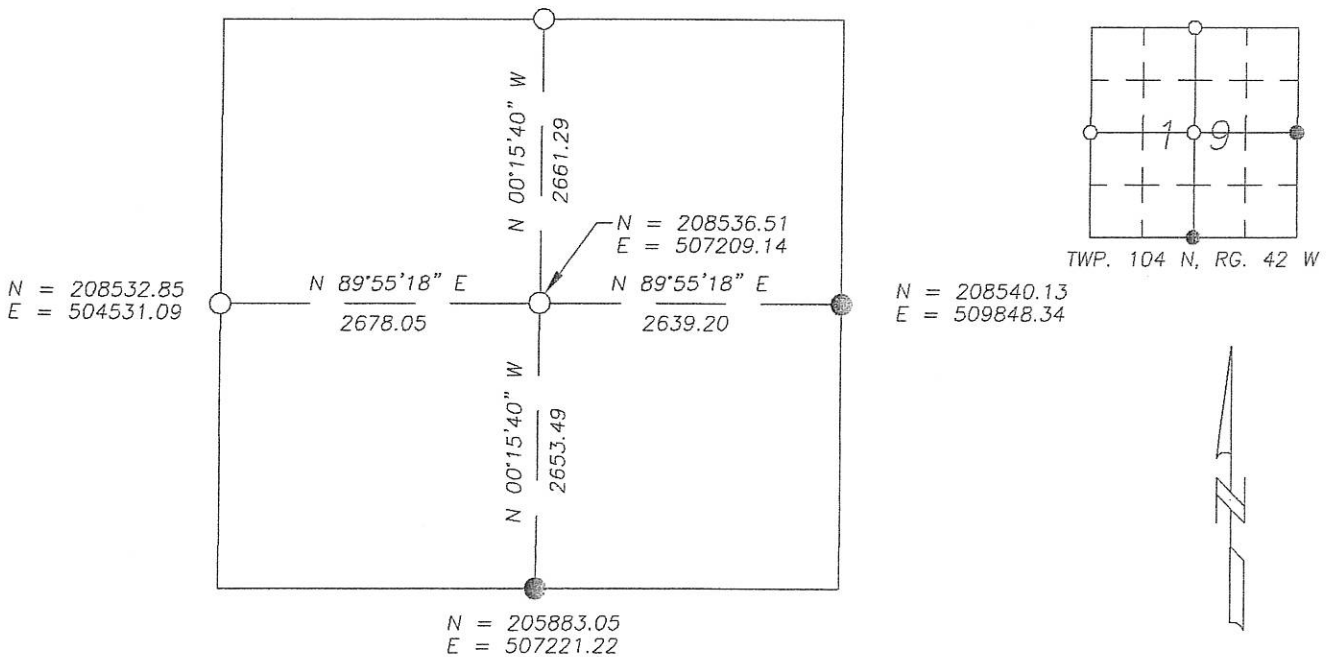

Previously recorded in N/A in County Recorder's Office.

(Show reason for preparing this certificate, the evidence and detailed procedure used in establishing the corner position & monumentation found or placed.)

MONUMENT DESCRIPTION AND REMARKS: On November 16, 2012 we dug with backhoe for North 1/4 Corner & found a 8" stone 1' below surface at centerline of Township Road 2' West of fence to North. County Highway records show no information for corner. I accepted stone as corner & set survey marker spike with survey cap 23008 over top center of stone. Stone fits occupation line and road centerline for practical location. I also set survey marker with 23008 cap for West 1/4 Corner as per MnDot Highway Plan at centerline and in line with fence to west. County Highway records show stone set in 1918 and stone again in 1962 along with wood stake set in 1962. I also set a 5/8" iron stake with survey cap 23008 at center of section as per PLS Instructions by intersecting opposite quarter corners.
