North Quarter Corner of Section 3, Township 103 North, Range 43 West, 5th Principal Meridian, Nobles County, Minnesota.

1867-Deputy Surveyor set a post in mound with pits.

2017- Westwood Professional Services located an east/west centerline and fence lines north and south. This location agrees very closely with the proportionate position. A ½" rebar capped LS 49563 was placed midway and online between section corners to mark the quarter corner. Ties were found or set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
