Statement of Evidence:

A-19

North Quarter Corner of Section 2, Township 103 North, Range 43 West, 5th Principal Meridian, Nobles County, Minnesota.

1867-Deputy Surveyor set a post in mound with pits.

1897- Nobles County Highway Department "Corner Ties Book" calls for a set stone to mark the corner location.

2017- Westwood Professional Services located an east/west centerline and a fence line to the south. This position agrees with adjacent section corners and is accepted as the best available evidence of the corner. A ½" rebar capped LS 49563 was placed to mark the corner. Ties were found or set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
