## **Statement of Evidence:**

A-9

Northeast Corner of Section 5, Township 103 North, Range 43 West, 5<sup>th</sup> Principal Meridian, Nobles County, Minnesota.

1867-Deputy Surveyor set a post in mound with pits.

1929- Nobles County Highway Department "Corner Ties Book" calls for a stone to mark the corner location.

1954- Nobles County Highway Department "Corner Ties Book" calls for a placed stake to reestablish the corner location.

1965- Nobles County Highway Department "Corner Ties Book" calls for a placed iron pin to mark the corner location and set ties.

2017- Westwood Professional Services recovered a PK nail at the centerline intersection and two ties from 1965. This position agrees with long standing occupation and distances to adjacent section corners, accepting as the best available evidence of the corner. Ties were found or set as shown on the front of this certificate.

Analysis of the recovered data, field evidence and survey measurements, indicates that the monument found is the correct perpetuation of this corner. For additional information concerning this corner please contact Westwood Professional Services.
